Γ. ΠΑΡΑΓΩΓΗ ΓΡΑΠΤΟΥ ΛΟΓΟΥ

TASK: You have decided to spend part of your summer vacation doing volunteer work and would like your friend Alex from Spain to join you. Write an email (180-200 words) to Alex in which you: a) describe the kind of volunteer work you would like to do during the summer and b) try to convince your friend that it's a good idea for the two of you to do this kind of volunteer work together. Sign as George/Georgia.

Dear Alex,

I hope you are well! I'm writing to tell you about a volunteer programme I've discovered, and I'm interested in joining this summer: Helping refugees in the Greek islands. You know how much I love both travelling and helping people, so I was excited to learn I can combine both. I'm going to spend the whole of July travelling to two Greek islands of the Aegean, helping refugees by securing safe accommodation and finding legal support for them. I'll be working full-time together with other teenagers from around Europe, so not only will I contribute towards helping these people adjust to the new circumstances, but I will also make new friends and practise my linguistic skills.

So, I was wondering whether you would like to join me, perhaps? I know that due to COVID-19 we haven't met in two years so I thought that this would be a great opportunity to catch up. Furthermore, you already have some previous volunteering experience not to mention your deep love for travelling and exploring new places.

What are your thoughts on this? I'm looking forward to your response.

*Best,
George*
